

MEMORANDUM

TO: Town Board & Supervisor McKenna
FROM: Peter Cross, Chairman
DATE: November 21, 2025
RE: Proposed Zoning District Amendment for Lashers Complex

The Planning Board unanimously agrees with the request for amending the Zoning District of Lizzie Vann's Proposed Lasher Property Complex, as requested.

The Planning Board agrees with this and encourages the Town Board to approve this request and file the appropriate documentation to adhere this decision.

In addition, Supervisor McKenna asked the Planning Board to look at Mountainview Parking lot for possible zoning alteration. This was based on the Affordable Housing Initiative. This item was asked to be removed from the agenda and conversation due to the prematurity of this conversation in the Affordable Housing Initiative's planning process.

Please consider this as our formal review complete, as requested. Thank you.
